

## REMARKS

Claims 9-12 are pending in the application. Claims 9-12 have been rejected under the judicially created doctrine of obviousness-type double patenting over Claims 5-8 of U.S. Patent 6,665,313 to Chang et al. and assigned to Samsung Electronics Co., Ltd. Chang et al. is the parent application to which priority is claimed. In order to overcome the rejection, Applicants hereby submit a terminal disclaimer in compliance with 37 C.F.R. 1.321(c). Based on at least the foregoing withdrawal of the rejections of Claims 9-12 is respectfully requested.

Accordingly, all of the claims pending in the Application, namely, Claims 9-12, are believed to be in condition for allowance. Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner may contact Applicants' attorney at the number given below.

Respectfully submitted,

Paul J. Farrell
